Abilities Adventure Camp 2020 is a summer program designed to give young campers, aged 2-5, fun-filled, memorable adventures. Each day children are encouraged to explore both indoor and outdoor activities. Our weekly themes focus on creativity, independence, and friendship while providing a multitude of hands-on opportunities. Abilities Adventures will tap into your child's natural curiosity about the world around them while cultivating a love of learning. Through hands-on activities, your child will be encouraged to wonder, create, and discover new and exciting topics. Each week your child will engage in a variety of enrichment activities including sensory play, arts and crafts, cooking, literacy, science exploration, dramatic play, water play, sprinklers, music and movement. All Adventures include weekly outdoor water play, an on-site appearance by a guest entertainer, and a special themed snack.
